

African Construction and Totally Concrete Expo 2018

The African Construction and Totally Concrete Expo is the prime meeting place for construction industry professionals. With 8 dedicated product zones and numerous free workshops, the event caters to the entire African construction, cement and concrete industries. The audience includes architects, engineers, contractors, quantity surveyors, government representatives as well as suppliers of products and services to the industry.

Key benefits of attending include:

- Discover the latest products and innovations showcased by more than 200 international exhibitors.
- Meet face to face with your current and potential new suppliers.
- Learn new professional skills, enhance your knowledge and gain CPD points.
- Network with 9,500 construction industry professional from the public and private sectors.
